

S4 Bulletin – March 2017

Easter school programme

The Easter school programme starts on Monday 3rd April and will run until the 13th April. See below for full details.

Study leave arrangements (28th April-5th June)

All S4 pupils who are sitting National 5 examinations will receive 2 days study leave for each exam. A personalised timetable outlining exam days, suggested study days and revision days will be issued after the Easter break. Pupils who are sitting National 4 courses will also receive a personalised timetable which will run throughout May.

Course choice for S5

Pupils will be making course choices for S5 this week. All pupils have received their own personalised course choice form and this should be returned by the 24th March. College applications have been submitted and interviews begin on the 23/24th March.

Exam arrangements

The SQA exam diet begins on Tuesday 2nd May. All pupils will receive their SQA candidate number and personalised exam timetable after the Easter holidays, however, if you would like to begin to plan your child's revision programme then the full timetable can be accessed at http://www.sqa.org.uk/files_ccc/Exam_Timetable_2017.pdf

Over the coming weeks pupils will receive a presentation on how to study for exams and get the most out of their study leave.

St Margaret's Academy Easter School 2017
